Disclaimer: I hereby release and forever discharge the City of Anniston, and/or any of its members from responsibility, personal liability, loss or damage in connection with this event. Food vendors must comply with Alabama Department of Public Health guidelines. Signature below indicates vendors acceptance to all policies set forth by the City of Anniston as listed on the next page of this form, as well as policies and/or guidelines that may develop after signing this document. I also understand that if I violate these policies, I will be asked to leave the festival and may not be considered for future events. I have read the terms and conditions and acknowledge my consent of these parameters.

Applicant Signature: _____

Date: _____

NO REFUNDS OR CANCELATIONS. A signed application is a commitment to participate in the festival and an acceptance of disclaimer. Accepted vendors will be notified on March 2, 2026. Applications received after this date, will be notified within 2 weeks of receipt of application. **Deadline for applications: March 27, 2026**

What to expect:

All vendors wishing to participate in events within the corporate city limits of Anniston are required to have a business license. For businesses located outside of Anniston, there is an alternative: you may obtain a \$25 special event permit (per event) that covers up to three city events. This permit provides an option to avoid the full cost of a business license, but please note that once you participate in three events, a business license will be required even if your business is outside of Anniston. Businesses operating within the corporate city limits are not eligible for this special event permit and must have a valid business license to participate. Our Finance Department will review all vendor applications and verify business licenses or EIN numbers. Nonprofit organizations may submit proof of their 501(c)(3) designation in lieu of a business license.

The annual Noble Street Festival (NSF) is held in conjunction with the Sunny King Criterium (SKC), a professional cycling road race. The "crit" draws professional, junior, and amateur cyclists and cycling teams worldwide.

Vendor applications are juried. Vendors with innovative and original products will receive priority. We desire vendors that complement our business community and enhance festival attendees' experience. For best consideration, include photographs or a website address with images of your product for review. Accepted vendors will be notified on March 2, 2026, and every 2 weeks after till capacity is met.

Promotions:

NSF and SKC are broadly promoted via radio, television, social media, State tourism resources, local and regional newspapers, and more. Vendors are expected to promote their participation in this event. Vendors registered by March 2, 2026 are included in the online NSF vendor listing.

Set Up / Break Down

Set-up begins: **Saturday, April 11th, 6am**. You will be given a specific window of time to arrive according to your placement within the festival. Failure to arrive as scheduled may result in your removal from the event, or being required to wait outside of the festival boundaries till accommodations are made for a different location.

Break Down: **Saturday, April 11th, 7pm**

Vendors are committed to the full festival time. **No break down will be allowed prior to 7pm**. Failure to comply with these rules may result in being denied participation in Noble Street Festival and/or other Mainstreet Anniston events.

A festival map will be emailed to vendors one week prior. Review this map and the attached instructions so that you know when to arrive, where to set-up, and where to move your vehicles.

What we expect from our vendors:

Spikes are not allowed in pavements.

Sandbags and/or tent weights are REQUIRED.

There will be no generators allowed on Noble Street.

Vendors in this location, in need of electricity, may request power be provided. Electricity is not guaranteed.

Food trucks are required to provide their own generators.

You must provide your own tents, tables, chairs, and trash bins (for trash generated at your booth). Please keep your vending area neat and clean.
